# FAITH TALK

## **Joy in Getting Called Up**

Philippians 3:10-16 | July 5, 2020

*Talk about the following questions around the lunch table or another time this week.*

1. When learning about the power of the resurrection of Jesus, two verses were mentioned in the message, Romans 1:16 and Acts 1:8. Both verses tell us that the power God gives us the ability to faithfully share the gospel. Talk about fears you might have around sharing the good news of Jesus with others. When is the last time you had a meaningful gospel conversation? Challenge one another to lead a conversation toward Jesus this week.
2. Talk about the phrase, "forgetting what lies behind." What failures or successes keep you from moving forward in your life in Christ?
3. Discuss what excites you about "straining forward" toward the future? Ask God to give you a desire to dream big for His kingdom? What would those dreams look like?
